

We made it our mission to make life better

Join our team on the position of:

ANGULAR DEVELOPER

About Position:

The type of colleague we're looking for:

We value a culture of excellence. We need colleagues who are not only technically proficient, but also demonstrate the following qualities:

- A willingness to embrace the concept of iterative development as the means for building seamless products
- A readiness to give all the effort necessary to do an excellent job even if it means putting in extra time to research the problem you're facing
- Perfectionism knowing how a job should be done and not stopping until it's done correctly

Skills Required:

- Perfect understanding of JavaScript
- Angular.js experience (minimum 1 year)
- Pixel perfect design integration
- Navigate effortlessly in an object-orientated environment of PHP templates
- Must be proficient in HTML and CSS, with a minimum of 1 year of experience
- Good knowledge of cross-browser optimization
- Flair for UI design
- Adaptability and good communication skills
- Strong planning, organizational and problem-solving skills
