

We are a technology company listed on the Bucharest Stock Exchange and specialized in digital transformation of businesses and communities.

We integrate the skills needed to provide access to the digital economy. Team agility and human-friendly solutions are the ingredients for transforming ITC complexity into simplicity for our partners.

We made it our mission to make life simpler

Join our team on the position of:

ANDROID DEVELOPER

The Type of Colleague We're Looking For

We are looking for team players who are not only technically proficient, but also demonstrate the following qualities:

1. **Continuous development:** to embrace the concept of learning and becoming better day by day. Personal achievements give us energy and inspire our growth together.
2. **Responsibility:** to get involved courageously and to be the one who presses the start button whenever you see an opportunity.
3. **Agility:** being able to look into the future and search for the solution that will take us further.

What will your responsibilities look like?

- Design and build advanced applications for the Android platform;
- Collaborate with cross-functional teams to define, design, and ship new features;
- Work with outside data sources and APIs;
- Unit-test code for robustness, including edge cases, usability, and general reliability;
- Work on bug fixing and improving application performance;
- Continuously discover, evaluate, and implement new technologies to maximize development efficiency.

What abilities will you need?

- Proven Android skills development;
- Experience in Android app development (minimum 2-3 years);
- Experience with Android SDK;
- Experience working with remote data via REST and JSON;
- Experience with third-party libraries and APIs;
- Good knowledge of push notifications, APIs and cloud messaging;
- Proficient understanding of code versioning tools such as Git;
