

We are a technology company listed on the Bucharest Stock Exchange and specialized in digital transformation of businesses and communities.

We integrate the skills needed to provide access to the digital economy. Team agility and human-friendly solutions are the ingredients for transforming ITC complexity into simplicity for our partners.

We made it our mission to make life better

Join our team on the position of:

FULL STACK PHP DEVELOPER

The Type of Colleague We're Looking For

We are looking for team players who are not only technically proficient, but also demonstrate the following qualities:

- Continuous development:** to embrace the concept of learning and becoming better day by day. Personal achievements give us energy and inspire our growth together.
- Responsibility:** to get involved courageously and to be the one who presses the start button whenever you see an opportunity.
- Agility:** being able to look into the future and search for the solution that will take us further.

What will your responsibilities look like?

- Assist stakeholders in developing feature specifications;
- Minor and major application feature development;
- Plan, code, test, and deploy new features/applications/projects/modules/plugins;
- Troubleshoot application bugs and determine resolutions;
- Optimize and refactor existing code to improve performance and reliability;
- Suggest improvements, security needs, best practices, etc (your voice will be heard);
- Software Architecture Design.

LIFE IS HARD SA

C.I.F RO 16336490 | J12/1403/2004
Strada A. Iancu, nr. 500, et. 1, 407280, Florești, Romania

What abilities will you need?

Self-management and time management are critical in this role. Without it, you will not be successful. Other requirements include:

- 5+ years experience with PHP, Modern Backend Framework (CakePHP, Laravel, Symfony, etc.), Modern Front End Framework (Vue, jQuery, Angular, etc.), HTML5, SASS & CSS, MySQL, Linux;
- A communication pro - must be able to explain technical issues to a non-technical person, pleasantly ;
- Comfortable with writing, editing, and maintaining Unit/Feature tests;
- Highly attentive to details, able to cross all the t's and dot all the i's and help review/fix others' work;
- There is direct project oversight, but you are expected to take ownership of your work and your projects, establish deadlines, and communicate progress proactively;
- Eager to research and learn in a self-directed way (always improving);
- Easygoing, fun, and a team player - must be able to comprehend highly-advanced forms of sarcasm;
- Experience with Test Driven Development (TDD);
- Experience with Agile methodologies and frameworks;
- Experience with all phases of SDLC (Software Development Lifecycle);
- Experience, or knowledge of, with Software Architecture Design best practices.

Do you also have these qualities?

- Excellent organization/time management skills;
- Team player;
- Strong communication skills dealing with team members and occasionally senior staff;
- Detail-oriented;
- Strong desire to learn and grow professionally;
- Strong leadership skills;
- Mentor mindset.

Curious about what we offer?

- Working on products, not on outsourcing projects;
- Working in a very dynamic company;
- Competitive salary;
- Flexible working hours;
- Opportunity to establish valuable career contacts;
- A complex package of benefits.

Send your CV to work@lifeishard.ro
