

We are a technology company listed on the Bucharest Stock Exchange and specialized in digital transformation of businesses and communities.

We integrate the skills needed to provide access to the digital economy. Team agility and human-friendly solutions are the ingredients for transforming ITC complexity into simplicity for our partners.

We made it our mission to make life simpler

Join our team on the position of:

PROJECT MANAGER

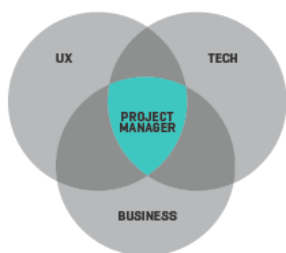

The Type of Colleague We're Looking For

We are looking for team players who are not only technically proficient, but also demonstrate the following qualities:

1. **Continuous development:** to embrace the concept of learning and becoming better day by day. Personal achievements give us energy and inspire our growth together.
2. **Responsibility:** to get involved courageously and to be the one who presses the start button whenever you see an opportunity.
3. **Agility:** being able to look into the future and search for the solution that will take us further.

**WE WANT TO
MEET YOU
RIGHT IN THE
MIDDLE!**

**What will your
responsibilities
look like?**

- Lead the planning and implementation of project
- Facilitate the definition of project scope, goals and deliverables
- Define project tasks and resource requirements
- Develop full scale project plans
- Assemble and coordinate project staff
- Manage project budget and resource allocation
- Plan and schedule project timelines
- Track project deliverables using appropriate tools
- Provide direction and support to project team
- Quality assurance
- Constantly monitor and report on progress of the project to all stakeholders
- Present reports defining project progress, problems and solutions
- Implement and manage project changes and interventions to achieve project outputs
- Project evaluations and assessment of results
