

We are a technology company listed on the Bucharest Stock Exchange and specialized in digital transformation of businesses and communities.

We integrate the skills needed to provide access to the digital economy. Team agility and human-friendly solutions are the ingredients for transforming ITC complexity into simplicity for our partners.

We made it our mission to make life simpler

Join our team on the position of:

SENIOR NODE.JS DEVELOPER

The Type of Colleague We're Looking For

We are looking for team players who are not only technically proficient, but also demonstrate the following qualities:

1. **Continuous development:** to embrace the concept of learning and becoming better day by day. Personal achievements give us energy and inspire our growth together.
2. **Responsibility:** to get involved courageously and to be the one who presses the start button whenever you see an opportunity.
3. **Agility:** being able to look into the future and search for the solution that will take us further.

- Developing and implementing highest-quality application software within deadlines
- Collaborating with front-end developers on the integration of elements;
- Designing back-end services for various business processes;
- Developing high-performance applications by writing testable, reusable, and efficient code;
- Implementing effective security protocols, data protection measures, and storage solutions;
- Running diagnostic tests, repairing defects, and providing technical support;
- Documenting Node.js processes, including database schemas, as well as preparing reports;
- Recommending and implementing improvements to processes and technologies;
- Participating in the documentation and execution of system testing;
- Supporting/mentoring developers and other project members;
- Keeping informed of advancements in the field of Node.js development.

What will your responsibilities look like?

LIFE IS HARD SA

C.I.F. RO 16336490 | J12/1403/2004
Strada A. Iancu, nr. 500, et. 1, 407280, Florești, Romania
T: +40 735 311 564 | F: +40 378 107 275
